

Cube::Cube

```
graph LR; A[Cube::Cube] --> B[Cube::loadCube]; B --> C[Cube::setType];
```

The diagram consists of three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'Cube::Cube'. A dark blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'Cube::loadCube'. Another dark blue arrow points from the right side of the second box to the left side of the third box. The third box is also white with a black border and contains the text 'Cube::setType'.

Cube::loadCube

Cube::setType
